

President's Letter April, 2018

Happy Easter to everyone...

March has been such a busy month for me...seems like I have been on a whirl wind!!! But I have been getting a lot of painting done...some of my own and some at seminars.

Now it is time to spend some relaxing time with family enjoying the Easter holiday and this beautiful Florida weather.

Thanks to all of you who helped paint the fish. Hopefully we will have the centerpiece put together to show you at the April meeting.

Speaking of the April meeting... Have you taken a good look at the project that Marge is going to be teaching? I love it!!! I think I will put it on a basket lid for a wire basket I had tucked away waiting for the perfect design.

I am not quite sure what Marge is coming up with for May. I know that many of the members will be going over to Daytona for the SDP Convention..but we can not forget the members who will be at the meeting. In June Margaret will be teaching a Pen/Ink and Oil project to match the two we had done with Mary Owens lasts November.

Sharon has assigned April as our UFO raffle. It will NOT be a brown bag...Bring an unfinished project with a pattern and we will place a cup in front of it. Remember it can be a project that you never even got started. If you have a few small projects..maybe tie them together!!!! I'm one that usually finishes all my projects but I will look real deep and see if I can find one!!!

As you know we have purchased a speaker system. We will be trying it around the room to find the best place to utilize it. Please give us your feedback to help us make the best decision to help the most members.

I have been sending out e-cards for different occasions from BLUE MOUNTAIN. I noticed that a few of the members have not opened them. I will be sending out one for Easter. Please keep an eye out for it...maybe even look at you spam folder. They are safe to open. I have heard back from many of you that say you enjoy them...so I do not

want the rest of you to miss out. If you do not like to open such things...that is OK..just delete and I will not even know that you did. (Smile)

Please remember that we will be sending out the minutes by e-mail as soon as they are ready..but Kay will also be putting them up on the web for you to find at any time. Also our updated membership booklet is kept updated on the Membership page of our website. Just log in to that page and tell your computer to keep you signed in and it will always be handy when you need to get in touch with all our members. If you do not know the password send me an e-mail and I will give it to you..or ask at the next meeting.

Well its time for me to get ready for Holiday company. Hope to see many of you at the April meeting.

Happy Painting...
Carole
